This site has no maintained trails or other recreational facilities. The Cannon River Water Trail passes through this site.

## **Notes from MinnesotaSeasons.com**

### **Parking**

N44 20.740, W93 14.943

Access to the Izaak Walton Unit is well concealed. A gravel road, 166th Street, leads ½ mile east from Rice County Road 3. At the end of that road an unmarked, unimproved road leads another quarter mile to the SNA. In 2005, parking was at the end of this unmarked road by the wood routed SNA sign. In 2013, this road was blocked by several windthrows, and parking was at the end of 166th Street.

### **Spring Flooding**

In the spring much of this site may be under water. The unmarked road that leads to the site continues through the site as a raised roadbed. It crosses a small bridge and ends at the west bank of the Cannon River. If a visitor wants to venture beyond this raised roadway, waterproof footwear is recommended.
