

Chippewa Prairie

Directions and Notes from The Nature Conservancy

From Milan, travel northwest on US Highway 59. Although several gravel roads take you to the preserve, the best route is the county line gravel road about three miles northwest of the Milan town limits. Take this road west two miles to the preserve. Park along the road. Please do not drive onto the preserve.

During a wet spring the prairie may be flooded.

Visit in early September for an unforgettable display of blazing star and goldenrod.
